Lighting controller(WiFi & zibgee)

Product Name: Intelligent Lighting Controller  
Color shape: white / black / gold / brushed gold / brushed silver  
Number of controls: 1~4 gang  
Line mode: N line+L line+Control line  
Product specifications: CN/UK  
Input voltage: 100V-240V AC 50-60HZ  
communication method:WiFi / zigbee  
WIFI standard: 802.11b / g / n 2.4GHZ  
Control method: touch control / app control / voice control  
Maximum load power: ≤800W  
Power consumption: ≤0.3W  
Surface material: tempered glass + aluminum alloy frame  
Base material: PC flame retardant material  
Product size: 86\*86\*34mm
